1st January, 1937.

Dear Sirs,

P. I have to confirm the conversation over the telephone this afternoon regarding the s.s. "KENILWORTH CASTLE" from which it is noted that you have received information to the effect that it is thought that a provisional Freeboard Certificate on Rpt. 10 valid for the voyage to Blyth will not be accepted by the local Customs Authorities.

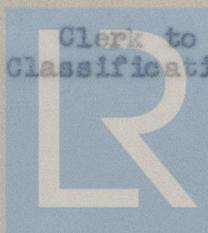

In the circumstances a short term Freeboard Certificate valid until the 31st instant will be prepared and forwarded to you tomorrow for issue when the general examination referred to in my communication of the 15th ultimo has been held, and the freeboard markings at present on the ship's sides have been verified.

I await thereceipt in due course of your form C.11(c) suitably amended and Rpt. C.12(a) on the case.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
SOUTHAMPTON.

Clerk to the
Classification Committee.
