

s.s. "KENILWORTH CASTLE".

-----

A telephone message has been received from the Southampton Surveyors stating that from information received by them, it is anticipated that a provisional Freeboard Certificate on Rpt.10 will not be accepted by the Customs Authorities at Southampton.

It is therefore submitted a short time Freeboard Certificate, valid until the 31st January, 1937, be forwarded to the Southampton Surveyors to enable the vessel to proceed to Blyth for the purpose of being broken up.

On completion of the general examination and verification of the freeboard markings they should forward forms C.11(c) suitably amended and form C.12(a) as previously instructed in the Secretary's letter of the 15th ultimo.

The freeboards indicated on the Certificate are those at present marked on the vessel's sides.
