BY HAND.

30th January, 1935.

Dear Sir,

"T R E C I".

(Sank in the Adriatic, 10th August, 1933).

I am favoured with your letter of the 29th instant having reference to previous correspondence relating to the possibility of Mr. Brown, the Society's Surveyor at Split being required to come to London to give evidence in the above case, and note that it has now been possible to arrange that an affidavit by Mr. Brown be accepted as evidence and that you have forwarded a draft of the affidavit to him.

With regard thereto I am directed to say that it is considered that it would have been desirable that this draft should have been sent to Mr. Brown through this Office, and in the circumstances Mr. Brown has been requested by cablegram to return his affidavit through this Office.

In the meantime I shall be glad if you will kindly favour me with a copy of the draft of the affidavit for the information of the Committee.

The Secretary,  
The Salvage Association,  
Lloyd's Building,  
E.C.3.

I am, Dear Sir,

Yours faithfully,

Secretary.
