S.S. "SILTONHALL".

Nwc. No. 84380.

 Damage stated to have been caused by encountering heavy weather. The machinery has been examined and various repairs effected.

The Special No.1 due 5,29 has been held on the machinery. The main boiler furnaces have been renewed, the auxiliary boiler retubed and its pressure reduced. (This boiler becomes a donkey boiler).

IT IS SUBMITTED that this vessel is eligible for the record of * LMC 6,29.

S 6,29.
