Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

28th April, 1920.

Sirs,

With reference to your First Entry Reports  
the Steamers "BEAULY FIRTH" and "RIVER TYNE" I  
do request that you will be good enough to  
state whether the breadths of upper deck sheerstrake  
straps, and number of  $\frac{3}{4}$ " dia. rivets in each row  
between frames, are as required, and whether the  
width of B. strake is as shown on the plan or as  
shown in report.

You should also forward the usual Ship  
building and casting reports for the "RIVER TYNE".

I am, Dear Sirs,

Yours faithfully,

Surveyors,

ABERDEEN.

Secretary.
