LONDON

Lloyd's Register of Shipping,

Lloyd's Bank Chambers,

Middlesbrough, May 14th 1925

Reference

Dear Sir,

I beg to enclose summary of third days evidence at the 'John Harrison' inquiry. This summary appears to contain much that is of interest.

May I draw attention to the admission of a witness that ballast tanks are pumped up until they overflow.

I am, Dear Sir,

Yours faithfully

Colin Bartlett

The Secretary
 London.

P.S.

It is hoped to conclude on Monday next.
