THE KONINI INQUIRY.

FINDING OF THE COURT.

THE CAPTAIN CENSURED.

(PER UNITED PRESS ASSOCIATION.)

INVERCARGILL, January 14.

The court found the master of the Konini guilty of a wrongful act in continuing at full speed under the circumstances, but, while censuring Captain Vint, it did not consider it sufficient to justify the suspension of his certificate, which was returned. He was ordered to pay \$40 towards the costs.
