Ex-German Steamer "SESOSTRIS".

A representative of Messrs. D. G. Pinkney & Co. called here this afternoon with a letter received from the buyers of this vessel requesting that the Surveyors should be asked to grant an interim certificate in this case for the voyage from London to Rotterdam.

The vessel is going into Tilbury Dock for completion of purchase tomorrow (Tuesday) and they wish to get the boat over to Rotterdam on Wednesday evening, and would like to have the certificate sent over to them early on Wednesday morning.

The Buyers are anxious that any work possible should be done now towards classification, as it is their attention to have her classed with this Society.
