Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

16th August, 1917.

Dear Sir,

With reference to Liverpool Report No. 76360 on the steamer "JUNIE" I shall be obliged if you will kindly let me know whether the Owners are yet in a position to arrange for the outstanding requirements of the Special Survey No. 2 to receive the necessary attention.

I may point out that the Screw Shaft became due for Survey so long ago as March 1916 and that the Boiler Survey became due in this case at the end of April last.

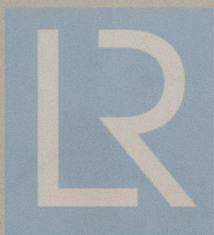

I am, Dear Sir,

Yours faithfully,

Secretary.

R. Williamson, Esq.,

LIVERPOOL.
