29th November, 1938.

Dear Sir,

1 R. With reference to the classification in this Society's Register Book of the steamer "LONSDALE", which is reported to have stranded on Midland Island, Jack Sound, on the 23rd ultimo, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information which you have received as to the extent of damage, prospects of salvage, etc.

VESSEL'S NAME Lonsdale
For the CHIEF SHIP SURVEYOR and CHIEF SURVEYOR
The question of making a record of the casualty against the vessel's name in the Register Book will come under the Committee's notice on the 6th proximo, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall therefore be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sir,

Yours faithfully,

E. O'Sullivan Esq.
