ACTING SURVEYOR TO LLOYD'S REGISTER

26 APR 1938

C/O Surveyor of Ships' Office,  
Penang, 14th April, 1938.

LLOYD'S REGISTER  
Received  
22 APR 1938  
LONDON

Sir,

I have today forwarded by Commercial Papers  
Post Report 8 and a copy of Report 10 for the M.V. "TONGKING"  
(No. in Reg. Book 35292).

In Report 8, I have recommended that the vessel  
be expunged from class and that her particulars be deleted  
from the Register Book, since the vessel is to be sold by  
the Underwriters as she lies, burned out and aground.

As this case has presented some unusual features,  
I should be glad to have any comments on my report.

I enclose some press photos and others taken by  
myself which may be of interest.

Yours faithfully,

*E. Watt*

Ag. Surveyor to Lloyd's Register,  
Penang.
