

L-7 MAY 1936

Tanker "PALUDINA"

The Special Survey No.3 due 12,33 has been partly held. Special proposals to postpone the Survey have been agreed to from time to time in view of Modified Special Surveys being held by the Owners, and after a further examination at Rotterdam in September last the Committee agreed to the class being extended until the end of April, 1936.

The Owners now state that the vessel has been sold to Mr. Okada Seiichi, of Osaka, Japan, for breaking up, and was handed over to him on the 2nd instant.

It is submitted a record of "To be broken up" be made against this vessel.
