

S.S. "OHIO"

In connection with the retesting of the anchors of this vessel I accompanied a Representative of the Royal Mail Steam Packet Company. to the Custom House and signed the special form required by H.M. Customs for the delivery of the anchors in question to this country.

I was specially requested not to sign on behalf of the Society, but as a private individual giving the address as 71, Fenchurch Street.

I accordingly signed as requested.
