

S.S. "T.H.SKOGLAND" ex "JAVARY".

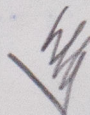

This ex-German vessel has completed the survey for classification at Hamburg. She was built at Hamburg in 1915 and has been running on six-monthly certificates.

When the case for classification was dealt with in this office the Surveyors were requested to satisfy themselves regarding, amongst other matters,, the arrangement of pillaring

S.S. "T.H.SKOGLAND" ex "JAVARY".

It is submitted that a fee of £100 be charged for the survey of the hull in this case, and a fee of £30 for the survey of the machinery.

A fee of £10 should be charged for the assignment of freeboard.
