Dear Sirs,

With reference to the Steam Trawler "TAMURA", which is reported to have gone aground north of Gateholm Island on the 15th. July and to be badly holed, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information which you have received as to the extent of damage, prospects of salvage &c.

The question of making a record of the casualty against the vessel's name in the Register Book will shortly come under the Committee's notice, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sirs,

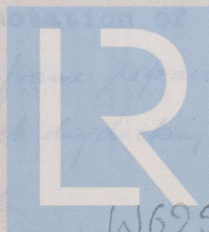

Yours faithfully,

Mrs. Neale & West Lim.,

Hope Street,

CARDIFF.

Secretary.
