Enclosures.

17th June, 1921.

Dear Sir,

With reference to your letter of the 15th instant, enclosing one from Mr. Cole regarding the particulars of the equipment at present on board the ex-German Steamer "ISIS", it is noted that the equipment has been examined and the marks, as far as can be ascertained, found to be in accordance with the Certificates which are now forwarded. The equipment will therefore be approved for the Figure 1.

The test certificates and the approved plans of the vessel forwarded for reference are returned herewith.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
