# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

ENCLOSURE.

12th May, 1919.

Dear Sirs,

I have to return herewith Mr. Tindale's Report of Survey held on the machinery and boilers of the ex German S.S. "ISIS", and to call attention to the terms of the opening paragraph which are incorrect.

I need hardly point out that the survey of these vessels is being carried out at the request of the Ministry of Shipping, and this should be stated in the Report; also that it was done in conjunction with a Representative of the appointed Managers, if as is concluded, this is in accordance with the facts.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
NEWCASTLE on TYNE.

Secretary.
