26th March, 1923.

Dear Sirs,

With reference to your report No. 11090

H.

On the steamer "PRINCESS" and to the Annual Boiler Survey which became due in this case at the end of September last, I have to acquaint you that in December the Committee deferred action regarding this case as it was understood from the Owners that the vessel was then laid up in your district. In the circumstances I shall be glad if you will let me know whether the steamer is still laid up.

I may add for your information that it appears from the shipping papers that the steamer was still at Portsmouth on the 7th ultimo.

I am, Dear Sirs,

Yours faithfully,

104-106, Leadenhall Street Assistant to the Secretary.

The Surveyors,

SOUTHAMPTON.
