Twin Screw Steamer "PRINCESS".

Memorandum of interview with Mr. R.R.Gray Chisholm, Chief Assistant to the Chief Technical Adviser of the Ministry of Shipping.

It was pointed out to Mr. Chisholm that the equipment of this vessel was not in accordance with the requirements of the Rules and in order that the vessel might obtain the full class of 100A1. it will be necessary to have the equipment on the vessel altered to comply with the rule requirements.

Mr. Chisholm stated that they desired the vessel should have the full class of 100A1 and that the necessary modifications would be made to the equipment on the vessel.

He requested that he should be supplied with the particulars of the equipment at present on the vessel and also the full Rule Equipment.
