of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also pointing out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points mentioned in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The 2nd SS. No. 2 due 2.22 has been partly held and a decision is required to complete same within the year of grace agreed to.

The Constantinople Surveyor now reports that the vessel has sustained damage to shell plating, bulwarks, windlass, etc., through collision, and they recommend that repairs be carried out at the earliest convenient opportunity.

It is submitted action be deferred.
