Dear Sir, 8 JAN 1921

ANSW

Referring to your letter of the 27th Sept. 1920, regarding the boiler survey of the steam trawler "DIAMOND II" I have to advise you that the boiler survey has finally been made.

The delay was due to a misunderstanding on the part of the owners, copies of the correspondence are attached.

Yours faithfully,

W. Boylan

The Secretary,

London.
