Surveyor of Lloyd's Register of Shipping.

Dear Sir,

Although We wrote you before that we didn't think it necessary to have the trawler surveyed, we received a letter from your Kobe office which made the matter clear and we have changed our mind after considering again.

We are very sorry to trouble you so often, but we had to ask you again for the arrangement for it. We sent you a telegram and also to your Kobe office asking arrangement for the survey.

We shall be very much obliged if you kindly arrange for it with Mr. Imamura, the captain of "Matsukaze"

Thanking you in advance,

We remain,

Yours very truly,
