Dear Sir,

FERRO CONCRETE BARGE "CRETEDYKE".

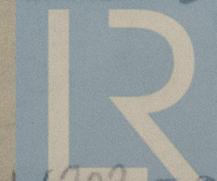

We are in receipt of your letter of the 18th instant under this heading, and note that the question of amendment of the Register Book as regards the entry of this vessel will be considered at an early meeting of your Committee.

We enclose a copy of the report received from our Captain regarding the loss of the vessel, and there would appear to be no reason why the vessel should not be immediately expunged from the Register Book.

Yours faithfully,

For and on behalf of  
LP & LEIGHTON LTD.
