Dear Sirs,

With reference to your First Entry Reports Nos. 11600 and 11620 on the steamers "ATHLETON" and "BISHOPSTON", I have to acquaint you that the Engineers have paid their proportion of the survey fees and desire the certificates of classification of the machinery.

I shall be obliged if you will kindly endeavour to obtain an early payment of your accounts for the survey of the hull and the installation of the engines and boilers.

I am, Dear Sirs,

Yours faithfully,
