Dear Sirs,

s.s. "BISHOPSTON"

We are in receipt of yours of the 15th instant reference (R.,) and we regret we have to confirm the information in your possession to the effect that this steamer was sunk near Kettle Ness Point on the 18th instant.

The Salvage Association's Special Officer is in attendance, and he has asked several salvage concerns to tender, but owing to the position they will not do so, although one intimates that he will reconsider the case in the Spring should the vessel not break up in the meantime.

Yours faithfully,

H. HARRISON (SHIPPING) LTD
