VESSEL'S NAME

The remarks of the Chief Surveyor are to be entered on this form in the margin of the Report of the Survey.

14 623

15th. December, 1923.

Dear Sirs,

With reference to the S.S. "BISHOPSTON", which is reported to have sunk near Kettle Ness Point on the 12th. instant, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information which you have received as to the extent of damage, prospects of salvage &c.

The question of making a record of the casualty against the vessel's name in the Register Book will shortly come under the Committee's notice, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sirs,
Yours faithfully,

Messrs. H. Harrison (Shipping) Lim.,
3, East India Avenue,
LONDON. E.C. 3.

Secretary.
