Dear Sir,
Your letter of 5th. March in reference to the loss of the steamer "Galava" to hand and contents noted.

The "Galava" was a total wreck, and at the " Marine Enquiry the Court found "That the vessel was " well found in every respect, that she foundered off" " Terrigal," but it was unable to arrive at any cause." The " Court added"that it was of the opinion that the Master " and all the Officers did everything that was possible " in the circumstances."

We do not know of any circumstances that should defer your Committee from writing the Steamer off the Register.

Yours faithfully,

JONES BROS COAL LTD.,
