CONDITIONS GOVERNING THE ACCEPTANCE OF DEFERRED TELEGRAMS AT HALF THE ORDINARY TARIFF.

This Telegram may, at the discretion of this or any Telegraph Company or Foreign Administration by whom it may be forwarded, be deferred in favour of full rate traffic period of such deferment by the various Administrations and Companies concerned shall not exceed 24 hours.

Plain language is such as, in the opinion of the Telegraph Service, bears an intelligible meaning on the face of it, and does not include a succession of numbers, names or connected meaning.

The Company may decline to forward any Telegram although it has been received for transmission, but in that case the Company shall, on request, refund to the Sender paid for the transmission and delivery of such Telegram.

If any Telegram shall fail to reach its destination by reason of any neglect or default of the Company or its Servants, which shall have happened whilst the Telegram is under the control of the Company, and such failure shall not have been caused by "force majeure," or by other circumstances which the Company could not reasonably have controlled, the Company will refund to the Sender of such Telegram the amount paid for its transmission and delivery, less all moneys paid or payable by the Company in respect of such transmission or other administration or authority, whether telegraphic or otherwise, and whether working in connection with the Company or not, which shall not be exclusively controlled by the Company.

The Company shall not be liable to refund any part of the amount paid for the transmission or delivery of a Telegram in any case in which the non-transmission or non-delivery has been caused by "force majeure," or by other circumstances which the Company could not have controlled, whether there shall or shall not have been neglect or default on the part of the Company or its Servants while the Telegram was under its control.

The Company shall not, nor shall any other telegraphic administration or authority, be liable in any case whatever to make any compensation or payment beyond the amount paid for the transmission or delivery thereof, from whatever cause such non-transmission, non-delivery, delay, error, or omission shall have occurred.

For the purposes of these conditions the control of the Company over each Telegram shall be deemed to have entirely ceased when, in the course of the transmission of the Telegram, it shall have been entrusted by the Company for further transmission by telegraph or by post or otherwise to any administration or authority not exclusively controlled by the Company, and in case of further transmission by any line, system, or service of telegraphs whether the same shall or shall not be worked as part of or in connection with the telegraphic system of the Company, and the Company shall have full power to entrust any Telegram for further transmission to any other administration or authority subject to any conditions prescribed by them.

1. The sender of a private telegram in the Extra-European service may obtain the benefit of a reduction of 50 per cent. in the charge on condition that the telegram is written in plain language, as defined hereafter, and that it is not transmitted until after telegrams charged for at the full rate.

FORM AND HANDING IN.

2. **Declaration by sender.** The sender must sign, when handing in the telegram, a declaration giving a formal assurance that the text is entirely in plain language and that it does not bear any meaning other than that which appears on the face of it. The declaration must specify the language in which the telegram is written.

3. **Supplementary Instructions.** The sender of a deferred telegram at reduced rates must insert before the address the supplementary instruction L.C. completed as is laid down in paragraph 4. This instruction is counted in the number of words charged for.

4. **Form.** The text of deferred telegrams must be written entirely in plain language and must not contain any figures, commercial marks, groups of letters or signs of punctuation or abbreviated expressions (Article VII. of International Regulations). Any telegram containing a succession of isolated letters, of numbers, of names or of words without connected meaning, and, generally, any telegram which does not in the opinion of the telegraph service bear an intelligible meaning on the face of it is not admitted to the benefit of the reduced rate. Registered addresses are accepted if accompanied by a text which makes their nature clear. Numbers must be written in words.

Telegrams without text are not admitted.

Telegrams at reduced rates must be written in French or in one of the languages of the country of origin or destination, specified by the Administrations concerned and authorised for International telegraphic correspondence in plain language. According as the language employed is French, a language of the country of origin or a language of the country of destination, the supplementary instruction L.C. is completed and becomes L.C.F., L.C.O. or L.C.D. The use of two or more languages in the same telegram is not allowed.

The wording of the address and the signature of these telegrams is governed by the rules in force for ordinary telegrams.

5. **Counting of Words.** The words in the text, and in the signature are counted according to the rules in force for ordinary telegrams.

RATES AND CHARGES.

*6. **Régime.** Deferred telegrams at reduced rates are admitted in the service between countries in the European Régime and countries in the Extra-European Régime (including Senegal). As regards the service between countries in the Extra-European Régime (including Senegal), except by special arrangement to the contrary, deferred telegrams are only admitted if the charge for ordinary telegrams is not less than 1 franc per word.

7. **Application of full ordinary rates to irregular telegrams.** The Telegraph Administrations reserve the right to refuse at the reduced rate any telegram which in their opinion is not in accordance with the foregoing conditions.

When the delivery office observes that a telegram bearing one of the supplementary instructions L.C.F., L.C.D. does not comply with these conditions the telegram is treated in the same way as one containing irregular combinations.

8. **Order of Transmission.** Deferred telegrams are only transmitted after non-urgent private telegrams and press telegrams. Those which have not reached their destination within a period of 24 hours from the time of handing in are transmitted in turn with telegrams charged for at the full rate.

9. **Delivery.** Telegrams at reduced rates are delivered in turn with telegrams at full rates.

10. **Special Services.** Telegrams at reduced rates may bear any of the supplementary instructions except those relating to urgency. The rates applicable to the special services desired by the sender of a deferred telegram (paid service telegrams, conditions of delivery, R.L. etc.), are the same as in the case of ordinary telegrams. The corresponding supplementary instructions are completed for at the reduced rate. Telegraph money orders and maritime telegrams are not admitted at the reduced rate.

11. **General Conditions.** Telegrams at reduced rates are subject to all the conditions of the International Regulations which do not conflict with the foregoing conditions.

* As the deferred telegrams at reduced rates are subject to special arrangements, they cannot be accepted for all destinations; full particulars can be obtained at the Company's Offices.
