

Authorization

Tuple. of "Bingera".

Gl. Rpt. No 34292

It is submitted, that as the Owners intend to reclass the vessel with this society, the Brisbane Surveyor should be requested to forward (on Rpt 9) his report of the survey of the boilers, ridge pipes & valves, sea connections etc. when the new engines have been fitted & the survey completed.

In addition to the above it will be necessary to submit the hull to the requirements of the Special Survey No 2 & to report the same in due course on Rpt 8. in order to entitle the vessel's class to reinstatement in the Reg. Bk.
