LLOYD'S REGISTER OF BRITISH AND FOREIGN SHIPPING,
71, Fenchurch Street,
LONDON, 18th July, 1908.

Dear Mr. Warlow,

In the case of the Steamer "FELSPAR", Glasgow
Report No. 27654, the First Entry Machinery Report is
signed by Messrs. A. Rodger & Co. as Manufacturers.
They, however, are only the Makers of the Engines, the
Makers of the Boilers being Messrs. Ewing & Lawson.

It is of course a convenience to have the
First Entry Report on one form instead of two, but when
the Maker of the engine signs the Report, it should be
with the additional words "of the Engines" after
"Manufacturer", so that the signature accords with
the heading of the Report.

I shall be glad if you will kindly give this
your attention in future similar cases.

Yours faithfully,

(Signed) A. Scott.

P. L. Warlow, Esq.,
GLASGOW.
