PORT NAPIER - Board of Trade Return 3,41

BURNT

()()()()()()()()()()()()

I chanced sending the
Owners a wreck card, but was
told that under Admiralty
instructions they could not
give me any information and
suggested we wrote to the Adm.

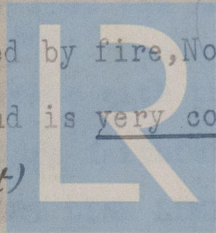

Do you know anything
and was she Marine or War, as
the B.T. return "Burnt" may mean
anything?

Mr. Reed,

This vessel was destroyed by fire, November, 1940

She is regarded as a marine loss and is very confidential. Never
published in Lloyd's List. (Broadsheet)
