

Messrs. Swan, Hunter & Wigham Richardson Ltd.
Yard No. 1569.

THIS IS TO CERTIFY that the vessel and her machinery
have been specially surveyed during construction except
as regards:-

HULL:

REFRIGERATING INSTALLATION:

ELECTRICAL INSTALLATION:

and that, subject to the Special Survey being eventually
completed to the original requirements, to any parts altered
by the Admiralty being restored as may be necessary, and to
the work being carried out to the Surveyors' satisfaction,
the vessel will be recommended to be classed
in the Society's Register Book.
