

W71-0135

Boiler  
endorsement (1).

Shipbuilders: Messrs. Swan Hunter & W. R.

Yard No. 1624.

Makers: Messrs. Cochran & Co (Amen) Ltd

Boiler No. 14443.

It is submitted that the plan of vertical multitubulat  
boiler merits approval for a working pressure of 105 lbs  
per sq. inch, provided the boiler be constructed under the  
usual conditions of survey and testing.
