

W71-0139

Boiler
endorsement (1).

Shipbuilders: Messrs. Swan Hunter & W. R.

Yard No. 1569.

Makers: Messrs. Cochran & Co. (Amen) Ltd

Boiler No. 14444.

It is submitted that the ^{amended} plan of exhaust gas fired vertical boiler merits approval for a working pressure of 100 lbs. per sq. inch, provided the boiler be constructed under the usual conditions of survey and testing.

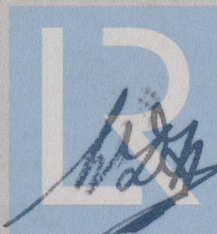

The previously approved plans have been cancelled.

Return plan. 1.

Retain copy. 1.
