Dear Sirs,

Swan, Hunter & Wigham Richardson Yard No.1569
Electrical Installation

E.

I duly received your letter of the 6th instant forwarding an extract from one received from Messrs. Swan, Hunter & Wigham Richardson, Ltd. in connexion with the ring main cables of the above vessel, referred to in my letter of the 24th October last addressed to the Newcastle Surveyors regarding the approval of plans of Electrical Equipment.

The matter has been considered in the light of the information supplied by the Builders, and I have to inform you that as the two lengths of the ring main cables will be made equal, the tests to demonstrate equal loading are not now required.

I am, Dear Sirs,

Yours faithfully,
