Dear Sir,

With reference to the enquiry contained in your letter of yesterday's date respecting the steamer "FRANCIA", we beg to inform you that in an interview with the Owners they state this vessel is due on the Tyne in about a week's time, when, if possible, the Boiler Survey will be carried out.

Should this be found impracticable the survey will be held on the vessel's return to a North East Coast port in about three weeks' time.

The sounding pipe to No.1 tank has been repaired and this will be submitted for the Surveyor's inspection, and it is intended to have the vessel dry docked in the course of the next few months when the remaining recommendations will be carried out.

The Newcastle report, which accompanied your letter, is returned herewith.

We are, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.

THE SURVEYORS,
