S/S George Westphall
 Hull Report No. 30,425

OF HULL,

11th. March. 1918.

W.H. Roberts, F.L. Sturgeon, P. Fitzgerald, & M. Blackwood,

have surveyed during construction the hull, engines, and
 boiler and auxiliary machinery of H.M. Trawler, "GEORGE
 WESTPHALL", built by Messrs. Cochrane & Sons., Ltd., at Selby,
 and that the hull, machinery and other equipment have been
 constructed in accordance with the requirements of Lloyd's
 Register of Shipping and all materials and workmanship are
 good and that the undersigned will recommend that the vessel
 be classed 100.A.1. "Steam Trawler".

The whole of the work covered by the specifications
 and drawings except where otherwise approved as well as alter-
 tions and additions subsequently approved by the Admiralty have
 been carried out and completed to the satisfaction of the
 undersigned'.

Principal Surveyor.
