1st Report, No. _____ Port _____ 100 Al Sheller DK

Medical Surveys, when held, must be reported in detail and serialism in the terms of the Rules. State clearly the use of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the placement of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

Class Contemplated

Society's Freeboard (if assigned) as reported on Survey

Damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose, and why they were declined? _____ also whether any damage report was made, and, if so, by whom?
