REC'D 26 AUG 1901

24th August 1901.

is submitted that as the S.S. "Whitgift" had  
not been completed by the builders or reported upon  
by the Society's Surveyors, nor had she been taken over  
by the owners when these ballast tanks were tested  
by Mr Munro in London, there can be no objection  
by Mr Munro acquainting the builders of the  
"Whitgift" by letter as to the condition in which these
