71, Fenchurch Street, E.C.

30th June, 1915.

Dear Sirs,

With reference to your letter of the 22nd instant respecting the first entry report on the S.S. "ROSALIA L", I shall be glad if you will be good enough to state whether the hatches on the large hatchways are  $3\frac{1}{2}$ " thick as reported, in view of the statement on the freeboard report that the hatches are 3" thick.

You should also state whether 90 fathoms of stream wire have been supplied, as this information has been omitted from the report.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
