Dear Sirs,

E. With reference to my letters of the 26th ultimo and 1st instant respecting the case of the new steamer "ROSALIA L", I have now to enclose copies of the First Entry Machinery Reports on the machinery of this vessel.

I have at the same time to inform you that in reply to enquiry Mr. Ritchie states that prior to leaving Trieste he had examined the fitting of the sea connections and that preparations were being made to bore out the stern frame.

I am, Dear Sirs,

Yours faithfully,

Secretary.
