27th December 1907.

Sir,

S. I duly received your letter of the 23rd instant,
enclosing one from the Owners of the steam trawler "SWAN",
and have submitted the same to the Committee at their meeting
to-day.

The Committee note that upon the next occasion of the
vessel being stopped she will be placed on the slip for the
examination of the fitting of the sea cocks, valves, and stern
tube and they have deferred action in regard to the
classification of the vessel until this has been done.

I am, Sir,

Your obedient Servant,

Secretary.

R. Williamson, Esq.,

LIVERPOOL.
