Dear Sir,

S. T. 'SWAN'

I beg to acknowledge receipt of your letter of the 20th inst:  
reverting to your letter of the 5th inst: which, I regret, has been over-  
looked.

In reply to your letter I have to inform you that we will have  
this ship put on the slipway at the first available opportunity, but this  
will not be for a few weeks yet, as the vessel in question was only  
stopped about a month ago for her six months survey. We were unable to  
advise you as to the inspection of the sea cocks etc at the time of the  
survey, owing to the fact that we were uncertain as to whether we would be  
able to get the use of the slipway, as this was then occupied by another  
trawler which was having new plates put in her bottom. We eventually  
got the use of the slip but had not time to advise you of the fact.

We trust therefore that you will be able to let this inspection  
stand over until her next stoppage, of which we will advise you in good  
time, also when she will be on the slipway ready for your inspection.

Awaiting your reply and thanking you in anticipation.

We are, Sir,  
Yours faithfully
