FRI. 10 MAY 1907

PORT OF NEWCASTLE.

1st. May, 1907.

Messrs.The Shields Engineering Co.Ld.,
N O R T H S H I E L D S .

Dear Sirs, In re s/s "SWAN", Goole S.B.Co's 96 vessel.

I beg to inform you that I will not be able to report the machinery for classification until the fastenings of the sea cocks and valves, and stern tube have been examined in dry dock.

I am,

Yours faithfully,

(sgd) Leonard G.Shallcross.
