Copy of a letter received from the Society's Surveyors at
Rio de Janeiro. Dated 7th May. Received 27th May, 1921.

Dear Sir,

In reply to your letter of the 7th February last
respecting the steamer "S PAULO", I beg to inform you that
this vessel foundered at her mooring, in deep water, off the
Company's workshops, on the 6th instant and it is reported
that owing to her position salvage operations will be difficult.
The cause of the casualty is not yet known.
