VESSEL'S NAME MS S.S. "Kao Monarch" Rpt. Kul No. 30,372

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(*The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. - Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey Condition

This vessel has been placed in dry dock, the bottom cleaned, examined & recoated.

The rudder area has been increased by fitting a plate about 3/4ths the depth by 12" extra width on the back of the rudder.

In view of the size of the rudder head, it is submitted the rudder be specially examined at the next dry docking, and the Owners should be informed accordingly.

It is further submitted the vessel appears worthy to remain as classed, with fresh record of survey 1. 18, subject to the rudder being specially examined at next dry docking.
