20th March 1917.

Sirs,

I beg to acknowledge the receipt of your letter of the instant intimating that arrangements have been made for the steamer "WINLATON" to load for the River Plate and that she will be required to bring a cargo home on Government account. I have to say that in the circumstances the Committee has deferred action for the present in regard to the overdue survey No.1.

I am, Dear Sirs,

Yours faithfully,

Secretary.
