Reference

Sir,

In reply to your enquiry in the classing letter of yesterday's regarding the Steam Trawler "The Banyers", Hull report No. 27844.

I beg to state that, the length of stern bush is forty inches instead of four feet, and my last visit to the vessel was 30th July 1914.

I regret these errors in my report.

I am Sir,

Your Obedient Servant,

The Secretary,

London.
