Dear Sirs,

I beg to acknowledge the receipt of your letter of the 9th instant respecting the steamer "THE PRESIDENT", from which it is noted that this vessel will be submitted to boiler survey at the end of the present month and that you propose to place her in dry dock for the examination of the screw shaft about June next.

In reply I have the pleasure to acquaint you that the Committee, who have had the case before them at their meeting today, are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,
