Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

9th June, 1916.

H. Dear Sir,

Reverting to my letter of the 25th February last relative to the survey of the screw shaft of the steamer "TEESBOROUGH", I shall be obliged if you will kindly let me know for the information of the Committee when and at what port you expect to be in a position to have this inspection held.

At the same time I think it well to point out that the vessel became due in April last for the Special Survey No.1 prescribed by the Society's Rules.

I am, Dear Sir,

Yours faithfully,

Secretary.

Richard C. Chester Esq.,
